EKRIDGE FARM SHORTHORNS Belonging to D. E. KILGOUR Estate

Toronto General Trust Corporation

Toronto, Ontario

Announcement

A great many Shorthorn breeders on this continent have long been familiar with the high quality of the Ekridge herd, founded by the late Mr. D. E. Kilgour.

A close student of Shorthorn blood lines, Mr. Kilgour was from the beginning intent on building a herd rich in pedigree with comparable individuality. The success of that effort is now in evidence in the high quality of the animals that will be forward as herd members on March 19. These cattle will be found appreciative from every angle.

The few animals listed from the three neighboring herds were selected on the basis of quality, so as to be in line with the Ekridge cattle.

Terms and Conditions

Location—The sale will be held at Ekridge Farm, situated on No. 7 Highway, midway between Acton and Georgetown. (Sale under cover.) WEDNESDAY, MARCH 19, 1947.

Terms—The cattle will be sold for cash.

Health—The Ekridge herd had a 100% negative blood test in early September, 1946 (excepting young vaccinated animals) and will be sold subject to re-test. Blood samples to be taken at the farm by a qualified veterinarian. All expense in connection with said test to be borne by the purchaser. The other three herds contributing are on similar standing—all negative, and sold with same re-test privileges.

Tuberculosis—The entries are all Fully Accredited.

Delivery—Buyers will assume all risks on animals immediately after they are sold. Animals will be loaded on board cars or trucks with feed and water furnished to any point in Canada or the United States. Crates will be supplied at cost.

THOROUGHBRED SOUTHDOWN SHEEP

At the close of the dispersal sale of the Registered Shorthorn herd, belonging to the Estate of the late

D. E. KILGOUR

there will be offered for sale by public auction

at

W. $\frac{1}{2}$ of Lot 26, Concession 8, Esquesing Twsp.
County of Halton

situated on the east side of number 7 Highway, midway
between Georgetown and Acton

on

Wednesday, March nineteenth, 1947.

sale to commence at 1.30 p.m.

A select group of 23 thoroughbred Southdown ewes, of which 14 are registered and the remainder are said to be eligible for registration.

Eight of the finest of the flock have been bred to the IMPORTED SOUTHDOWN RAM at the Ontario Agricultural College

The remainder have been bred to a shearling ram, itself, by an imported ram.

This would seem an opportunity for breeders to improve their flocks by the addition of some choice ewes.
